Services

Launch Marketing

Whether you are launching a new product, service or a new company we will assist in creating a buzz and help you reach the right customers.

- Social Media Strategy
- Public Relations
- Landing page
- Blogger relations
- Brochures
- Brand monitoring
- Viral videos
- Email marketing

An initial buzz can go a long way in helping your new product take-off.

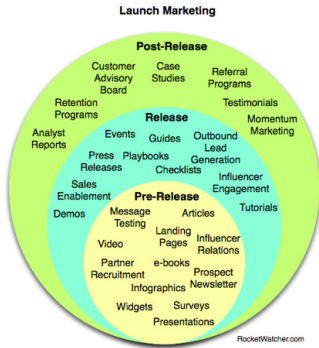

Prices start from: Rs. 5000.

Facebook & Twitter Marketing

100 million Indians access the Internet regularly of which 34 million are on Facebook and a few more million on Twitter and LinkedIn. Thus social media should form an important part of any company's strategy - B2B or B2C.

We can help you with building fans & engagement on Facebook, Twitter & LinkedIn apart from building activity in the blogosphere. We also do analytics to monitor what your customers are talking about you and your competitors.

Prices start from: Rs. 5000

"Everyone has a website, but very few are worth going to and even less can lead to actual sales."

Web Development

Websites are like buildings - not all are same; there are skyscrapers as well as slums and unfortunately most fall under the latter category.

We can help you build a highly engaging website that can help you gain new customers as well as building your brand.

These websites can be delivered in as fast as 24 hours and we could also setup email - @your-name.com and document management on the cloud with Google Apps.

Prices start from: Rs. 4500

Artwork & Corporate Identity

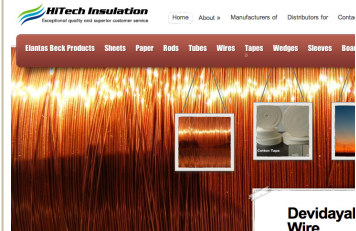

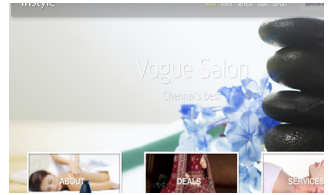

We can build highly engaging stationary for your company that can engage your customers online as well as offline.

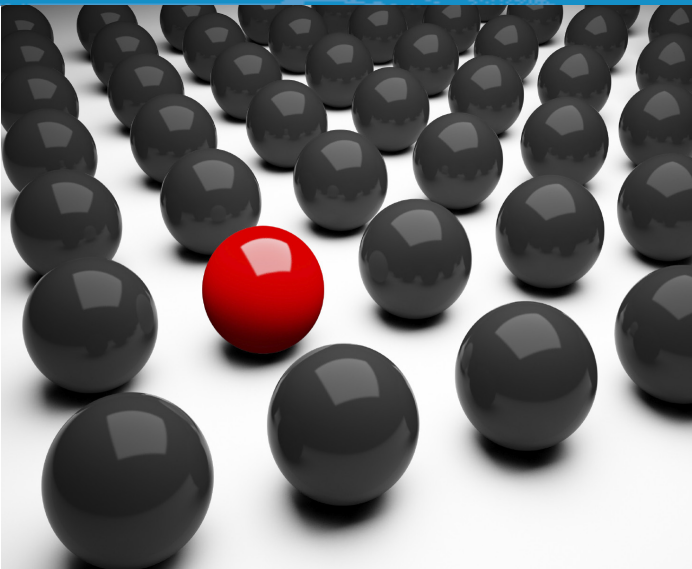

Some of the stuff we do:

- Brochure Design for potential customers
- Newsletter design
- Flyers and posters for the print media
- Intro videos with your logo and concept
- Business cards
